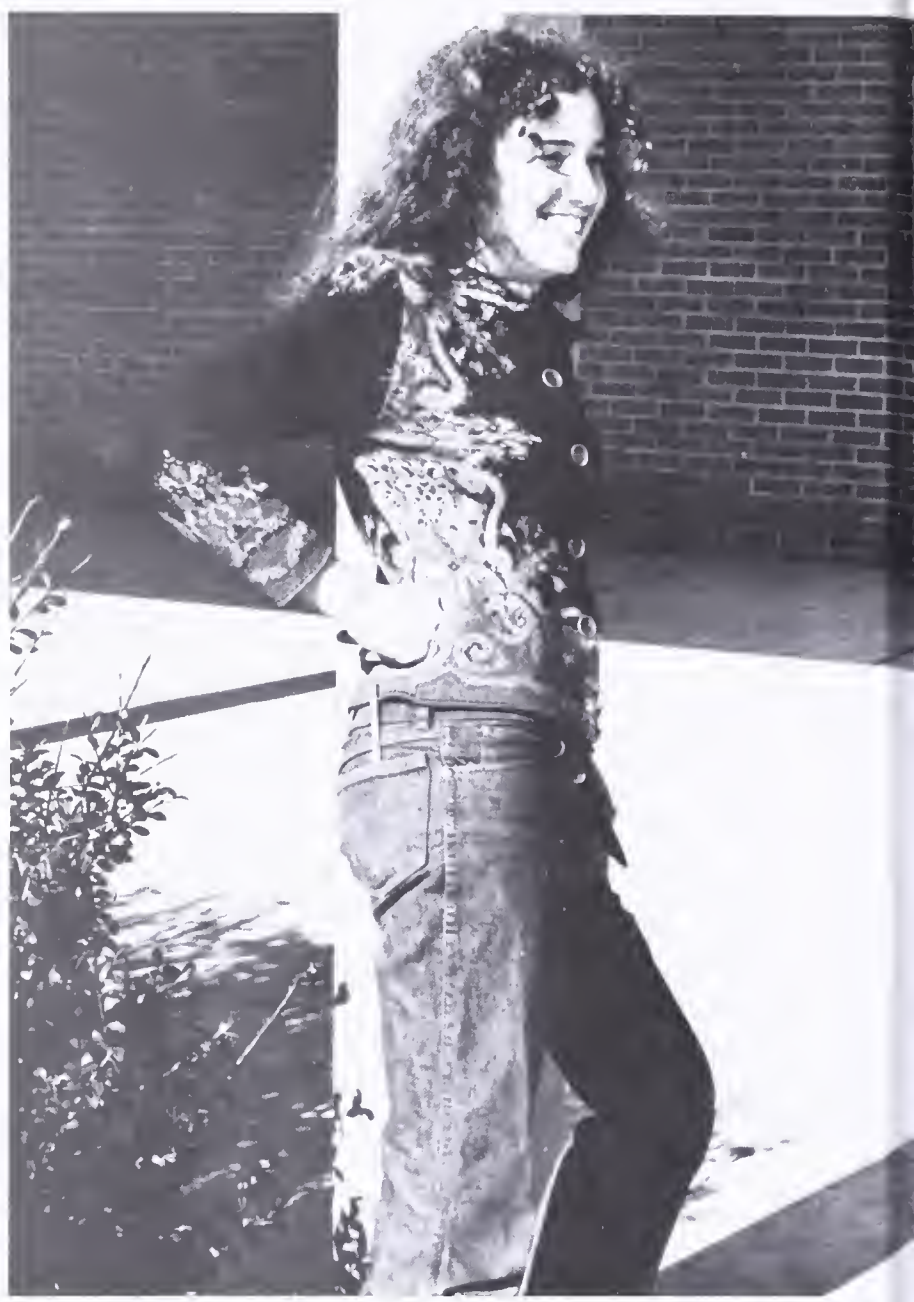
contents



now I've been happy lately
thinking about the good things to come
and I believe it could be
something good has begun

oh, I've been smiling lately
dreaming about the world as one
and I believe it could be
someday it's going to come

cause out on the edge of darkness
there rides a peace train

get your bags together
go bring your good friends too
cause it's getting nearer
it will soon be with you

come and join the living
it's not so far from you
and it's getting nearer
soon it will all be true

now I've been crying lately
thinking about the world as it is
why must we go on hating
why can't we live in bliss
cause out on the edge of darkness
there rides a peace train

you've got to get up every morning

with a smile on your face

and show the world all the love in your heart,

then people gonna' treat you better

and you're gonna' find

you're beautiful as you feel.
